This packet contains all collegiate logos that HeartStrings is currently licensed to sell. This list was accurate as of 12-05-05.

To order a logo, reference the code given directly below each image. Please use the code. Descriptions such as "the little stick figure with big legs..." will not work.

Please note that there is a \$2 graphic engraving fee applied to each piece engraved with a school logo. This fee covers the appropriate licensing needed and additional engraving time.

If you don't see your school listed, please feel free to give our customer service department a call or send us an email.
